

NOTA DE LA DIRECCION

Por las dificultades existentes para el transporte de la correspondencia desde Estados Unidos de Norteamérica, la Segunda Parte del Catálogo de Peces de Chile de Fowler, llegó muy atrasada para insertar las ilustraciones en la parte correspondiente. Por esta razón, nos vemos obligados a reunir en las páginas siguientes, las referidas ilustraciones.

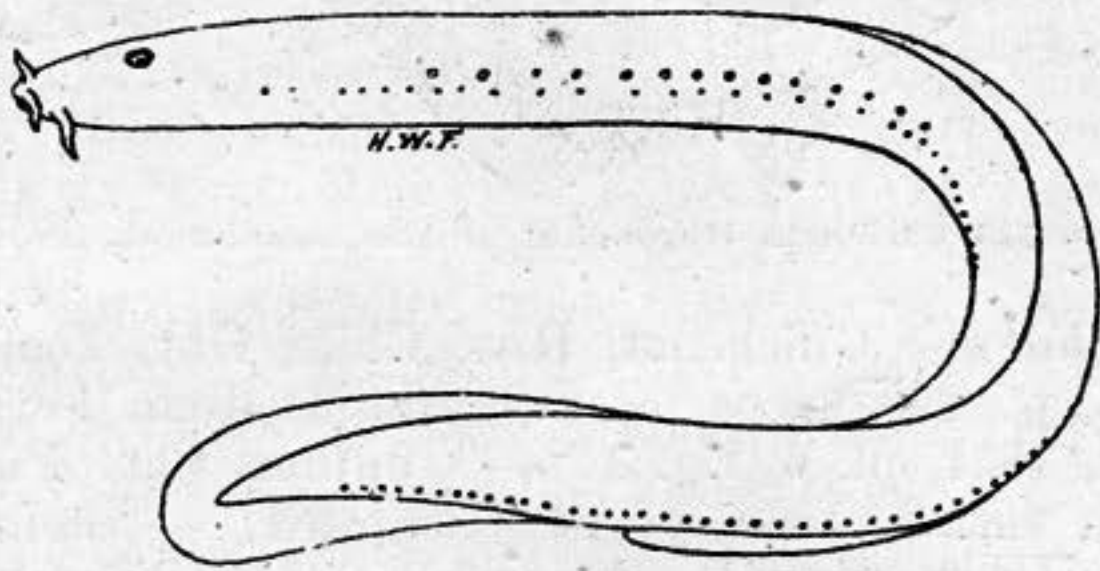

Figure 1.—*Polistotrema polytrema* (Girard). From Girard, 1855

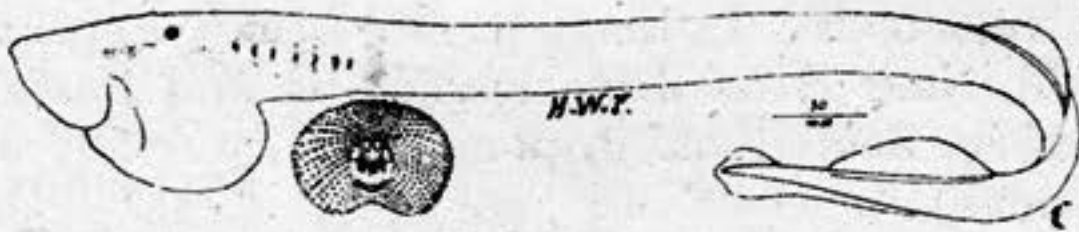

Figure 2.—*Geotria australis* Gray.

Figure 3.—*Mordacia anwandteri* (Philippi)
