TABLA C1

Listado de los investigadores del área de las ciencias ecológicas incluidos en este estudio ordenados alfabéticamente. Se muestran el número de artículos totales, el número de citas totales, la edad científica (años desde la primera publicación), el número de citas / número de artículos, el número de artículos / años desde la primera publicación, el porcentaje de alo-citas (100 % de citas – % auto-citas), el índice-h, el índice-I y el índice- I_s . Con un asterisco se muestra el valor máximo para cada una de las columnas. Los datos fueron obtenidos en el mes de febrero de 2008 desde la Web of Science.

List of researchers in the field of ecological sciences included in this study sorted alphabetically. The total number of papers, total number of citations, scientific age (years since first publication), number of citations / number of papers, number of papers / years since the first publication, the percentage of allo-citations (100 % citations – % self-citations), the h-index, the I-index and the I_s -index are shown. The maximum value for each column is shown with an asterisk. Data were obtained in February 2008 from the Web of Science (© Thomson ISI).
